## Please follow these directions to find the studio which is tucked away:

From the main A60 marked for the Harley Gallery take the road straight ahead, do not go into the car park but take the left fork. Follow the road down passing the back of the galleries. You will go over two speed bumps.

Continue down this road with the continuous wall on your right until you reach the tall green sign on the left. Follow the sign to the **Harley Foundation Workshops & Studios**.

Turn right at the green sign and immediately right again, past another sign for **Harley Foundation Workshops & Studios**.

Go through the pillared gates past the workshops on your left. Hope & Elvis is situated at the **bottom of this road behind the gates on the right-hand side**. Parking is the turn in before the studio gates.

Please be mindful to allow access to the back of the studios and not to park in front of the gates to the residential property or the end facing studio, as marked below.
